

Industrial Forestry Service Ltd. (IFS) is pleased to announce that Jim Girvan will be joining the company as an associate starting December 1st, 2022.

As a recognized authority in fibre supply dynamics, forest economics and statistical analysis, Jim is returning to IFS after a 26-year absence.

Jim's career includes work in forestry consulting, pulp and paper fibre management, commercial banking to the forest sector, and as an industry advocate with the Truck Loggers Association.

He has provided consulting advice to a broad spectrum of clients for many decades. Through his association with IFS and their staff of forestry, GIS, computing and analysis personnel, he will continue to support clients as the industry evolves.

Recognized as a Distinguished Forest Professional in 2020 by the ABCFP, Jim is an RPF that holds an MBA from UBC and a BSc in Forestry from the UofT. Please join me in welcoming Jim back to IFS.

Jim can be reached at jim@cedarbraelabs.ca at 250-714-4481 or through the IFS Head Office.
